

ARCA *Curved Stepped Tower Sculpture*

Products & Objects of architectural intent. Crafting the details you live with.

A visionary architectural statement that masterfully blends flowing curves with structured tiers. ARCA features a sweeping, sail-like form on one side and rhythmic stepped layers on the other — creating a powerful dialogue between movement and stability. This sculptural piece celebrates innovation, balance, and bold contemporary design.

Perfect for: Modern living spaces, executive offices, creative studios, or as a striking centerpiece for architecture enthusiasts.
